RESIDENTIAL ROLLSHUTTERS

STYLISH PROTECTION FOR YOUR PROPERTY

RESIDENTIAL ROLLSHUTTERS

STORM PROTECTION
Cariguard rollshutters offer effective and efficient protection against windborne debris during severe storms and high winds.

SECURITY SOLUTIONS THAT WORK
Cariguard rollshutters create a solid barrier preventing against broken glass and theft, rolling down when you need them and disappearing when you don't.

ENHANCE THE COMFORT OF YOUR HOME
Cariguard rollshutters are completely retractable, insulated to absorb heat and noise, and offer a practical and unique solution that will allow you to experience your home in style.

EASY OPERATION
Operate your rollshutters with manual or motorized convenience from inside your home. Cariguard also offers remote controls, control from your cell phone, sun and wind sensors, and timers.

Cariguard® ROLLSHUTTERS

A WIDE VARIETY OF COLOURS
ARE AVAILABLE!

Cariguard offers over 1800 **CUSTOM** paint options for you to choose from.

STANDARD panel box, guide rail and bottom profile colors are as follows:

- Cariguard rollshutters are custom manufactured to suit your needs. Our large selection of quality components enables us to provide you with practical solutions for a variety of applications.
- Made from high quality aluminium and stainless steel components, Cariguard rollshutters offer superior security and storm protection.
- Protect your property from nature's harshest elements, Cariguard rollshutters provide energy efficient solutions to safeguard against intense sunlight, strong winds and severe storms.
- Engineered to withstand forced entry and storm damage while reducing energy costs.
