In alignment with our commitment to supporting initiatives that enhance the lives of people in communities, **CariGuard** (formerly Talius) has partnered with the **Barbados Manufacturers' Association (BMA)** to integrate the **CariGuard National Disaster Preparedness Expo** into the **Trade and Innovation Expo (TIE)**. We will now host the **CariGuard National Disaster Preparedness Pavilion (CNDPP)** during TIE 2025, which will take place from **June 4–9, 2025**.

This partnership offers a unique opportunity to raise awareness among Barbadians on how to prepare for, manage, and recover from disasters. The initiative aims to **educate and entertain** communities while providing a robust platform for exhibitors to connect with local and international stakeholders.

Key Activities

Our partnership includes participation in the following flagship activities:

- **Opening Ceremony:** June 4, 2025 (Pelican Village)
- **International Buyers Conference:** June 5–6, 2025 (Pelican Village)
- **Trade and Innovation Expo 2025:** June 7–9, 2025 (Gymnasium)

The **CariGuard National Disaster Preparedness Pavilion (CNDPP)** will showcase various disaster preparedness strategies, health and wellness tips, and practical advice for individuals and businesses. Additionally, we have secured both indoor and outdoor exhibition spaces to cater to the diverse needs of our exhibitors.

We invite you to partner with us as we embark on this **Disaster Awareness Journey**, combining public education with a high-impact platform for brand visibility and engagement.
